"And it came to pass that Paul stood up in the night, and said unto them, Brethren, I have dreamed that the Lord has called us to go into Macedonia, assuredly gathering that the Lord had called us for to preach the gospel unto them." Acts 16:9-10

"But when He saw the multitudes, He was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd." Matthew 9:36

Dear brethren in Christ,

On July the 1st I resigned the pastorate of the Northwest Baptist Church and went on full-time deputation to raise the support needed to get to Panama City Panama and do the work that God has called my wife and I to. After pastoring churches here in the U.S. for thirty two years this is quite a change for us. We praise God for His faithfulness in helping us to liquidate all of our possessions and get our house on the market. The house is now under contract and if all goes well will be closing by September the 12th. Our Church has called Brother Lester Hutson as pastor on a short term basis until God gives us the long term pastor He has for us, so our church is in good hands and going forward.

Even though it is tiring to be constantly in different churches and living out of suitcases, deputation has been a real blessing to Mandy and I. We have been blessed to present our work in Panama to fourteen churches and have attended the Rodger's Baptist Missions Conference in Garland TX. In every church we have been wonderfully received and we have met many wonderful brothers and sisters in Christ. Every church we have gone to we have hated to leave the good fellowship and have felt God's love showered upon us through His people. We want to thank every church that has let us come and those who have scheduled us. We want to thank each church we have visited for the love offerings you have given us to help us on our way. We especially want to thank the Mid-way Baptist Church of McKinney TX and her pastor brother Ed Neal for spoiling us and helping provide for our needs while we were there. We want to thank the Finches for letting us stay in the Amber house the entire time we were in the Dallas area. What a great blessing that was. We want to thank brother Ed Neal and the Dunn family for helping us to get into a car that was big enough for our deputation and the church for buying tires for the car. In so many ways God has poured out His blessings on us as we move forward for Him. We have been blessed to be able to stay with Mandy's parents for the month of August while we are in the Wichita Falls area. It is a special blessing to us to be able to spend some time with them before we go to Panama. We want to thank the churches that have taken us on for support. Our sponsoring church is really standing behind us, supporting us \$500.00 a month and continuing our health care at \$300.00 a month and funding our retirement at \$300.00 a month. We want to thank the Story Road Baptist Church in Irving Texas and the Friendship Baptist Church of Hurst Texas for also taking us on for monthly support. We are currently at \$650.00 of our needed \$4500.00 in monthly support.

Please pray for us as we go forward with our deputation, that the Lord will provide the needed support so that we may quickly get to the field and begin the work God has called us to. Pray for our safety as we travel. Pray for the souls in Panama. Pray for our sponsoring church and the transition they are going through, and for our pastor brother Lester Hutson as he steps into the gap and leads the church forward. May God richly bless each of you as you labor for Him.
